Order Form

Education Resource Kits are based on selected plays. The kits are a useful reference for both teachers, lecturers and students, and generally contain social, cultural and historical details, interviews with the Director and a variety of English and Drama activities suitable for Middle and Upper Secondary level students. Each activity has been linked with learning areas and outcomes from the Curriculum Framework.

Please select the kits you would like to purchase, complete the order form below and fax or post back to the Education Manager, Black Swan State Theatre Company.
